This Notice explains Solara and affiliated physician group's privacy practices, our legal duties, and your rights concerning your personal and health information. In this Notice, your personal or protected health information (PHI) is referred to as "healthcare information" and includes information about your health treatment and care when it contains identifiable information such as your name, age, address, income, and other financial information.

Your Health Information Rights

The health and billing records we maintain are the physical property of Solara. You have the following rights with respect to your protected healthcare information:

RIGHT TO INSPECT AND/OR OBTAIN COPY

You have the right to inspect and obtain a copy of your completed health records unless your doctor believes that disclosure of that information to you could harm you. You may not see or get a copy of information gathered for a legal proceeding or certain research records while the research is ongoing.

Your request to inspect or obtain a copy of the records must be submitted in writing, signed, and dated, to the medical records department of the Solara facility that maintains the records. (Requests for billing records should be sent to the billing departments.) We may charge a fee for processing your request. If Solara denies your request to inspect or obtain a copy of the records, you may appeal the denial in writing to the OneOncology Office of Compliance at the following address: 424 Church Street, Suite 2400, Nashville, TN 37219.

Solara will respond to you within 60 days. We may deny your request; if we do, we will tell you why and explain your rights.

RIGHT TO AN ACCOUNTING OF DISCLOSURES

You may request an accounting, which is a listing of the entities or persons (other than yourself) to whom Solara has disclosed your health information without your written authorization. The accounting would not include disclosures for treatment, payment, healthcare operations, and certain other disclosures exempted by law. Your request for an accounting of disclosures must be in writing, signed, and dated. It must identify the time period of the disclosures and the Solara facility that maintains the records about which you are requesting the accounting. We will not list disclosures made earlier than six (6) years before your request.

Your request should indicate the form in which you want the list (for example, paper or electronically). You must submit your written request to the medical records department. We will respond to you within sixty (60) days. We will give you the first listing within any 12-month period free of charge, but we will charge you for all other accountings requested within the same 12-months.
